

The diagram illustrates the layout of a business card with various dimensions and zones. A blue border represents the overall size, with a blue arrow indicating a width of 92 x 60 mm. Inside this is an orange rounded rectangle representing the cut size, with an orange arrow indicating a width of 86 x 54 mm. A dashed green line indicates a safety zone, with a green arrow indicating a width of 80 x 48 mm. The text 'CARTE DE VISITE' is centered in blue. Below it, the safety zone is defined as 80 x 48 mm, with a warning not to place logos or text within 3 mm of the cut. The background area is labeled 'Fond de carte' and includes a list of elements: images and color gradients.
